UFINEBENCH DATABASE LINCENSE AGREEMENT

Introduction

The UFineBench database is consisted of a dataset named UFine6926 and an evaluation set named UFine3C, which is mainly used for scientific research of text-based person retrieval with ultra-fine granularity. It is collected and annotated by National Key Laboratory of Multispectral Information Intelligent Processing Technology, School of Artificial Intelligence and Automation, Huazhong University of Science and Technology (HUST). The UFineBench database is released for researchers with free of charge.

Rules

1. **Redistribution:** The UFineBench, either entirely or partly, should not be further distributed, published, copied, or disseminated in any way or form without a prior approval from the creators (Jialong Zuo and Changxin Gao) of the database, no matter for profitable use or not.

2. **Commercial Use:** The UFineBench, entirely, partly, or in any format derived thereof, is not allowed for commercial use without a prior approval from the creators.

3. **Modification:** The UFineBench, either entirely or partly, is not allowed to be modified without a prior approval from the creators.

4. **Acknowledgement:** The following paper or any of its upgraded versions should be cited in all documents and papers using the UFineBench database for experiments:
   Zuo, Jialong, et al. "UFineBench: Towards Text-based Person Retrieval with Ultra-fine Granularity." arXiv preprint arXiv:2312.03441 (2023).

5. **Indemnification:** All persons using the UFineBench should agree to protect the privacy of all the subjects in it. The users should bear all responsibilities and consequences for any loss caused by the misuse.

Notes: Signatory must have the legal authority to sign licensing agreements on behalf of the Licensee with HUST. Licensee's legal staff should review the terms and conditions of this agreement and execute it. Agreements signed by individuals without this authority are not valid and will be discarded.
